

SEACOAST SHOW SERIES

Sponsorship Information

Dear Potential Sponsor

Thank you for your interest in sponsorship opportunities regarding our Seacoast Show Series. We are proud to offer this grassroots type of show series and have been beyond pleased with its success thus far.

For years we dreamed of creating a horse show series geared toward beginning horses and riders. From here, our Seacoast Show Series was born, offering a fun and safe horse show environment that promotes both education and sportsmanship. We pride ourselves on bringing our professional expertise, along with years of show management and course designing experience to our local equestrian community.

We were so appreciative of the sponsors that chose to offer support during our 2023 season, as were our exhibitors. Our goal with offering sponsorship opportunities is to help keep our show series affordable for our exhibitors, and also provide valuable exposure and recognition for our sponsors. Whether you are looking for an advertising opportunity for your business, or if you simply wish to support our horse shows and the learning opportunities that they provide, we hope you will find value in our offerings. Pricing and details are available in this packet, with options for the entire show season, or a single show within the series. Please feel free to contact us directly with additional questions or ideas regarding sponsorship.

Going into our sixth show season, we are thrilled with the growth and interest that we have seen, and our hope is to continue this trend. In addition to our usual class offerings, we are also part of the USHJA Outreach Program. This will allow competitors the opportunity to earn points, in many of our classes, for national recognition. More info on this program can be found at www.ushja.org.

We are excited for all this season has to offer! Thank you for your consideration in becoming a sponsor and supporting us for the upcoming 2024 show season!
